Gareth Lugg of Destum Partners Secures Membership to the Licensing Executives Society (LES)

CHARLOTTE, N.C., May 10 /PRNewswire/ -- Destum Partners continues to grow their licensing and strategic partnering unit as Co-Founder Gareth Lugg joins LES to increase the companies global network of business development and licensing contacts.

Destum Partners strives to advance innovative technology, and one core service provided by the specialized consulting firm is licensing. Destum Partners collaborates with companies seeking to either in or out license products and technology. The Consulting Firm accepts engagements with clients focused on products and technology at various stages of development that cover a variety of disease states.

"I am pleased to now be affiliated with LES, and believe the additional resources available to Destum Partners will only strengthen our existing capabilities", stated Gareth Lugg, Managing Director and Co-Founder of Destum Partners.

Two newly appointed Managing Directors of Destum Partners, Tom Filipczak and Matt Vanderberg strongly believe that continued affiliation with LES is a logical step for Destum Partners management team. According to Matt Vanderberg, "We as a firm are extremely supportive of Gareth Lugg's membership to LES and believe that strategic partnerships are secured based on strong relationships, and LES provides one avenue to develop and cultivate those relationships."

About Destum Partners:

Destum Partners, Inc. provides consulting and advisory services with an emphasis on financial and market analytics, strategic partnering divestitures and acquisitions within the Life Science sector. The client base includes companies within the pharmaceutical, biotechnology, biopharmaceutical, device, diagnostics, specialty chemicals, ag-biotech and animal health sectors. Destum Partners is headquartered in Charlotte, North Carolina. For more information about Destum Partners, please visit: <http://www.destumpartners.com>.

About Licensing Executives Society (LES):

Established in 1965, the Licensing Executives Society (U.S.A. and Canada), Inc. (LES) is a professional society comprised of over 6,000 members engaged in the transfer, use, development, manufacture and marketing of intellectual property.
